

Finance Team Report

The Finance Team at Prince of Peace Lutheran Church was organized to exercise good stewardship and care of the resources entrusted to our congregation. The team monitors funds and makes recommendations to the Congregation Council regarding financial matters of Prince of Peace. Additionally, the team supports the work of the Congregation's Treasurers and Financial Secretary. The Finance Team membership currently consists of Treasurers Michelle Grilley and Brad Kropp; Financial Secretary Gini Anderson; former Treasurer Lesa Wilson and former Financial Secretary Jon Grussendorf. In general, the team reviews monthly financial reports generated by the congregation's Treasurers and Financial Secretary and prepared the 2018-2019 fiscal year budget for the Council's and congregation's consideration.

Respectfully submitted,

Jon Grussendorf
